## "The Beauty of Magic"

There are hundreds of magicians performing in America and throughout the world, but CELESTE EVANS differs from most of them in two respects:

First, she is the only lady magician in the world who has acclaimed the title "Queen of Magic".

Second, she is one of the few entertainers who has entertained so extensively throughout the world appearing at Command Performances before numerous Kings and Queens and Heads of State.

Every audience agrees to a third distinction .. no magician is as glamorous as ..CELESTE EVANS.

This tall statuesque and beautiful girl makes a stage appearance at the outset which is quite electrifying. And the fact that she performs in an elegant evening gown which displays the best of her charms, certainly pleases the audience and also proving that she couldn't possibly have anything hidden up her sleeves or on her body .. but yet .. she fills the stage with so many fluttering doves, and from where ...no one knows.

## UPROARIOUS AUDIENCE FUN

CELESTE EVANS is a lady magician. She thrills, charms and completely dominates people while she is on stage. She shows perfection in every move. But, if per chance, on a rare occasion, something goes amiss on stage, she indulges in a womans' privilege to shrug it off with a statement . . . . "Well you don't expect a lady to be perfect" or "What do you want from a girl".

Her most spectacular achievement is the smooth manipulation of doves and a lavish display of color in the "ultra violet" or black light and the production of a live poodle dog, from nowhere.

But . . . SOMETHING HAS BEEN ADDED

It is not only magic. CELESTE EVANS also entertains. Audiences have loved to see MISS EVANS perform, but now an added thrill is the sight of their friends and fellow members participating on stage.

The party cut-up becomes a suave, debonair gentleman, dressed up in a magicians cape and top hat. A shy, bashful fellow becomes a sensuous lady magician, complete with fright wig and snap on gown. The non-believer ..believes ...while CELESTE EVANS guides her assistants through amazingly funny antics.

The laughs are many and the ad-libs, not only from CELESTE but, from the three gentlemen on stage, are hilarious.

Be prepared for an evening of fun...with CELESTE EVANS ... and your own friends.

Performance time can run from 8 to 45 minutes.
